

Product Data Sheet

Premium Leather Cleaner

VOC compliant

Features: A unique cleaner formulated for today's automotive leathers. A pH balanced shampoo to clean gently without dulling your leather

Benefits: Can be used as is or mixed with water for light cleaning, leaves a pleasant new car aroma.

Uses: Use for all leather or vinyl surfaces.

Directions: Shake well before each use. Spray small amount of product onto a damp towel and work into lather on all leather surfaces. Allow to soak 1-2 minutes then wipe with damp cloth and dry. Follow up after cleaning with an application of ValuGard Leather Conditioner.

Tips: Always test for color fastness in a unnoticeable area before use on any surface.

Sizes: VG-202 = 12/22 oz. bottles per case.
