

PRODUCT DATA SHEET

Aquashine / VG-209

Features: *Aquashine* is a water based shiny polymer dressing for tires.

Benefits: Provides a rich natural shine to tires. **Will not stain** painted surfaces or “sling” if properly applied. A detergent resistant dressing for those that prefer a shiny appearance.

Uses: Tires, all rubber surfaces.

Directions: Spray on to tires or pour on to a sponge or soft cloth and apply to all four tires. Application VG-SG, sponge (for tires), is ideal for economy and performance. Allow to dry five minutes, remove excess.

Tips: For best results make sure that tires to be treated are clean and dry. *Aquashine* can be applied in multiple coats for more shine.

Sizes: VG-209 = 5 gallon pail
