

PRODUCT DATA SHEET

Citrus Clean Hand Soap / VG-HS

Citrus Clean Hand Soap – is a non-solvent based super concentrated formula with only 20% water.

Benefits: Nearly 20% Cosmetic Grade Walnut Shells used as scrubbers. Same type of scrubber used in women's facial scrubs. Most competitors have 5-8% various types of scrubber in their soaps. More scrubbers = cleaner hands. These emollients leave hands feeling clean, soft and protected without the greasy feel.

Uses: Wash hands of grease, dirt and grime.

Directions: Wet hands with water, disperse Citrus Clean Hand Soap in hands, rub hands together till clean, rinse with water and dry.

Sizes: VGHS = 4 / 3.5 liter per case
VGHSBOT = 12 / 18 oz. bottles per case
VGHSDEA = 1 dispenser
