## Premium Leather Conditioner / VG-201

*VOC compliant*

**Features:** *Leather Conditioner* is a true leather conditioner that not only conditions but also protects and renews.

**Benefits:** Contains mink oil and other conditioners that help remove light soil while renewing leather, leaving a light leather scent and protective coat.

**Uses:** May be used on all leather surfaces. Check for color fastness before use.

**Directions:** Shake well before each use. Clean soiled leather with ValuGard Leather Cleaner and allow the leather to dry. Apply a small amount of leather conditioner to a soft clean towel and gently rub evenly over all leather surfaces. Allow five minutes, and then remove any excess with clean towels.

**Tips:** Do not apply to leather wrapped steering wheels.

**Sizes:** VG-201 = 12 pints per case
