

PRODUCT DATA SHEET

Super Compound / VG-306

VOC compliant

Features: Easily removes sandmarks, scratches and imperfections without leaving deep swirl marks.

Benefits: Fast acting, smooth cut, “wet formula” for workability.

Uses: Removing 1200 sanding scratches, scratches, compounding marks, acid rain etch and light imperfections on fresh or aged paints.

Directions: For use with high-speed buffer at or below 1500 RPM with clear coat cutting pad for compounding VG-03Y.

Tips: Buff slowly overlapping each pass allowing product and pad to work the paint. Please visit our web site www.valugard.net for more uses. Works well with all types of pads.

Sizes: VG-306 = 6 pints per case
