

PRODUCT DATA SHEET

Supreme Swirl Remover / VG-307

VOC compliant

Features: Body shop safe, wax and silicone free, formulated for fresh or aged paints.

Benefits: Swirl free high luster finish, ready for final wax or sealant. “Wet” formula for more workability when buffing.

Uses: Removing swirl marks, sanding scratches, compounding marks and light imperfections.

Directions: For use with high-speed buffer at or below 1500 RPM with VG-810G lambs wool or VG-528G fine foam pad. Works well with all foam pads.

Tips: Buff slowly overlapping each pass allowing product and pad to work the paint.

Sizes: VG-307 = 6 pints per case
